Dr.Rajendra Khavekar

TPO, DJSCE

9892168524/8850324889

www.djsce.ac.in**Vision**

To be a world class institution for education, training and research in engineering, inculcating values and skills for sustainable development of the society.

Mission

- 1) To provide competent faculty and an interactive learning environment along with world class infrastructure for nurturing professionalism & entrepreneurship in Engineers.
- 2) To foster technical competence, research aptitude and environmental awareness amongst aspiring technocrats to develop sustainable engineering solutions.
- 3) To provide a forum for active interaction between academia & industry, leading to continuous improvement in engineering education.

Opportunities for graduates and interns opening soon

Get ready to do your best work. To discover new opportunities. And to develop in ways you never knew you could.

This is your opportunity to be part of a bank that's at the forefront of the global financial industry. And one that is, throughout the business, fully focused on a better, more connected future for everyone.

Join us as a Technology graduate or intern, and you'll help to build on our pioneering work in everything from cybersecurity to trading platforms – creating innovative solutions that are truly customer-centric. Above all, life here is about finding work that will challenge, stretch and excite you, with all the training and support you need to make your mark on our business.

Our graduates and interns are a vital part of our success, and we welcome applications from people from all walks of life. Whoever you are and wherever you want to join us, if you're curious, creative and ambitious, this is a world in which you can truly belong.

Click the following links to find out about our Graduate or Internship opportunities in Technology.
